## Serenade

The Serenade gracefully combines shared spaces to create a seamless union of purpose and style. The great room, kitchen and dining area allow people to separate or mingle as they choose. This plan provides a number of versatile living areas that can be designed around any lifestyle and includes:

- A main-floor study that greets you at the entry with optional French doors.
- A 2-car alley loading garage with plenty of room to store winter and summer gear.
- Spacious dining room for formal dinners and holiday gatherings for large families.
- Private Primary Suite conveniently positioned from the other bedrooms and boasting a five piece bath and roomy walk-in closet.
- Three additional bedrooms on the upper floor.
- Finished basement options that offer additional living space and bedrooms for guests.
